Residential Program

$650.00

1 Day + 2 Nights

Join Raymon, international energy worker, healer, teacher, author, and dowser for a weekend of dowsing at the Monroe Institute. Dowsing is many things to many people and limited only by our imagination as to the ways it can be used to enhance our lives. It is a tool to help us develop our own deep knowing and intuition.

Use a Native American healing technique to reach spirit realms. Send healing energy over distances, overcome fears, and attract prosperity. Dowsing has been used throughout history as a powerful and effective method of creating positive change.

Positively influence behaviors. Add power and clarity to your thoughts. Focused thoughts and intentions transform our subtle energy into powerful manifestation. See the results of your subtle energy change, as it is occurring. Measure it and know it is real when you employ Raymon's dowsing techniques.

Get clarity on decisions by amplifying the answers. Reveal and quantify the physical manifestation of our focused thoughts and intentions. It's time to stack the deck of life in your favor. Join us for this seminar and learn from Raymon Grace.
